

User Guide

Welcome to Your Digital Magazine System!

To get the most out of your experience, please follow these simple steps:

Navigating the Menu

The system operates through a menu system. Simply select the number corresponding to the option you'd like to access.

Here are your options:

1. **Magazine Cover:** View the full magazine cover.
2. **Table of Contents:** Explore the detailed contents of the magazine.
3. **Help:** Get assistance with using the system.
4. **Participant Videos:** Watch videos from the contributors.
5. **Change Language:** Switch between English and [your other language].
6. **Exit:** Quit the program.

Please enter your selection:

Exploring the Table of Contents

Selecting option 2 will open a submenu with the following choices:

1. Cover Page
2. Exponential Equations
3. Graphs
4. Cybersecurity
5. Millionaire Game
6. Exponential Equation Calculator
7. Back

Options 1-4 will open PDF files containing the respective articles. Option 5 will start the fun Millionaire game, featuring two levels with three questions each. You can exit the game at any time. Option 6 will take you to the exponential equation calculator, where you can solve equations of the form $a^x=b$. Option 7 will return you to the main menu.

Additional Information

- **Participant Videos:** Selecting option 4 from the main menu will open a PDF with links to videos where contributors discuss their involvement in the project.

- **Language Change:** Choosing option 5 from the main menu will switch the entire interface to English.

Enjoy your digital magazine!
